United Way's Women United to Host Community Event Focusing on the Plight of Single Mothers Living in Poverty

The event is FREE and will be held October 17th at Wells Fargo Bank in Westlake Plaza

(Camarillo, CA) September 21, 2017 – For many single mothers living in poverty is a way of life. In Ventura County, 38% of female households with children five and under are living below the poverty level. Women United, an affinity group of United Way of Ventura County is working to change this reality. On Tuesday, October 17, Women United will be hosting a FREE community event in support of underserved single mothers in Ventura County. The event will be held from 6:00 p.m. to 7:30 p.m. in the lobby of the Wells Fargo Bank, located in Westlake Plaza at 970 S. Westlake Blvd., Westlake Village, CA 91361.

Women United Chair, Dr. Leanne Nielson, Provost and Vice President for Academic Affairs at California Lutheran University will lead the discussion and talk about the mission of Women United, which is to support single-mothers by empowering them through financial capability and education. The event will also serve as a membership drive; women and men will be invited to join the group and support single mothers in Ventura County striving to improve their station in life. Complimentary hors d'oeuvres and wine will be served and attendees will have the opportunity to win some great prizes.

To RSVP for the event contact Vicki Raven at 805-485-6288, ext. 229 or email Vicki.Raven@vcunitedway.org. The deadline to RSVP is Friday, October 13th. For more information about Women United go to www.vcunitedway.org.
