

Governor's Road to Reopening

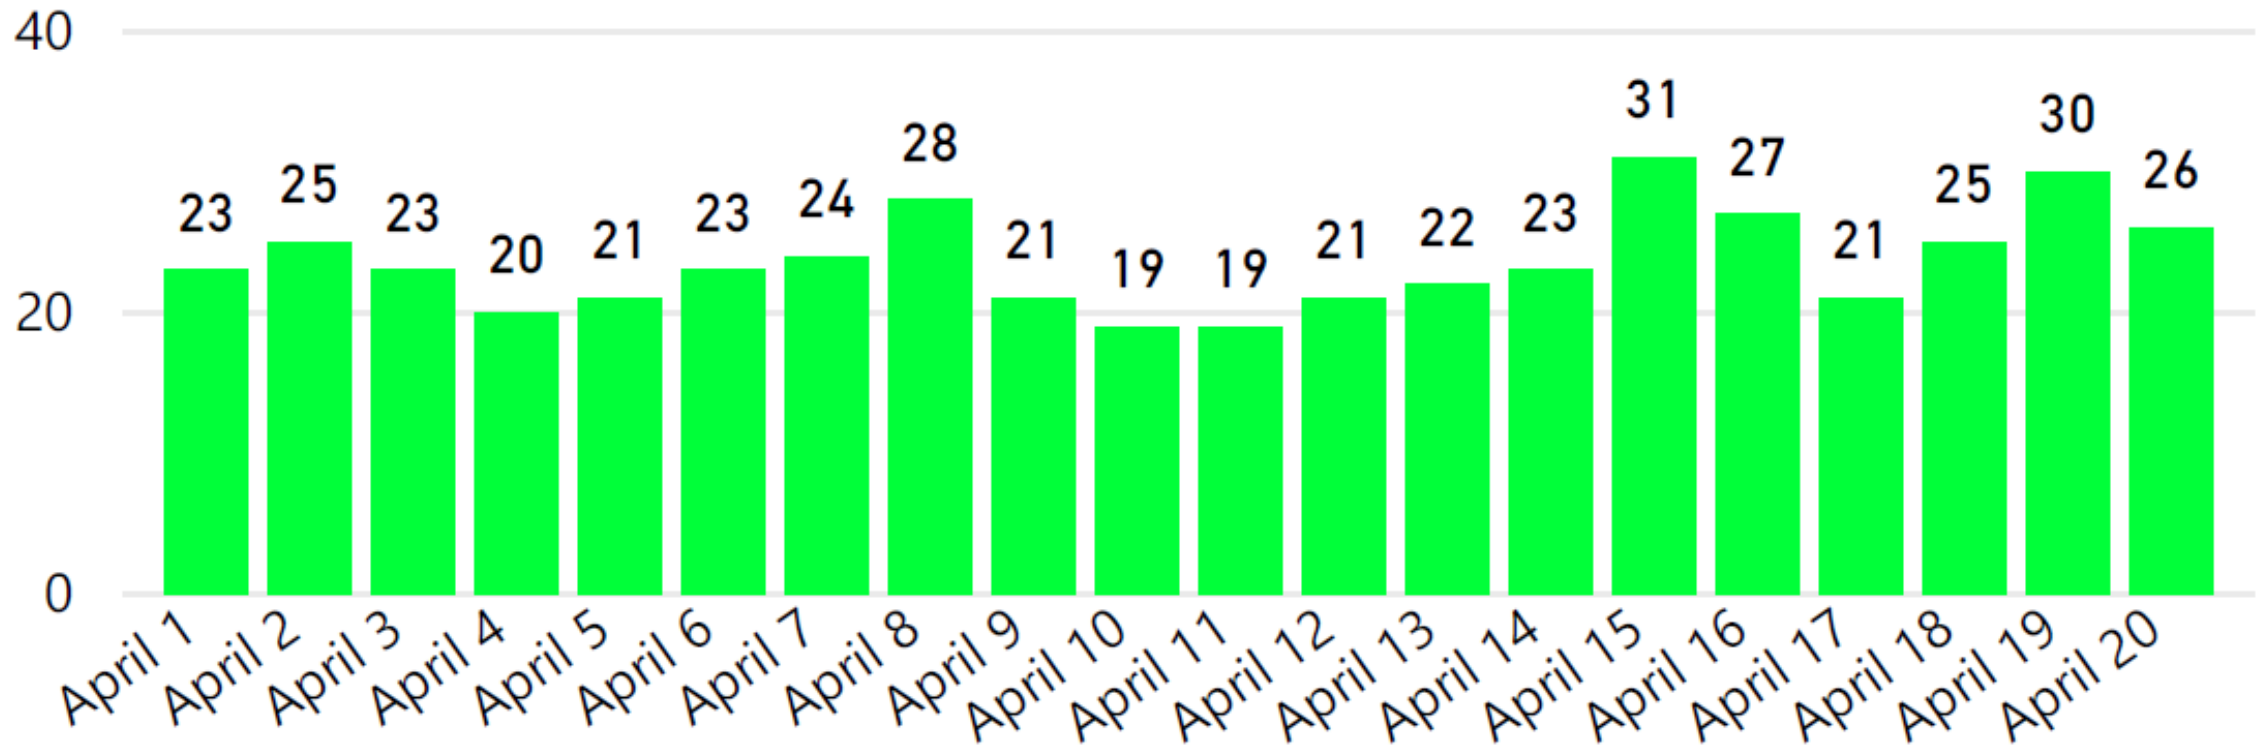

1. **The ability to monitor and protect our communities through testing, contact tracing, isolating, and supporting those who are positive or exposed;**
2. **The ability to prevent infection in people who are at risk for more severe COVID-19;**
3. **The ability of the hospital and health systems to handle surges;**
4. **The ability to develop therapeutics to meet the demand;**
5. **The ability for businesses, schools, and child care facilities to support physical distancing ; and**
6. **The ability to determine when to reinstitute certain measures, such as the stay-at-home orders, if necessary.**

County Actions In Preparation for Reopening

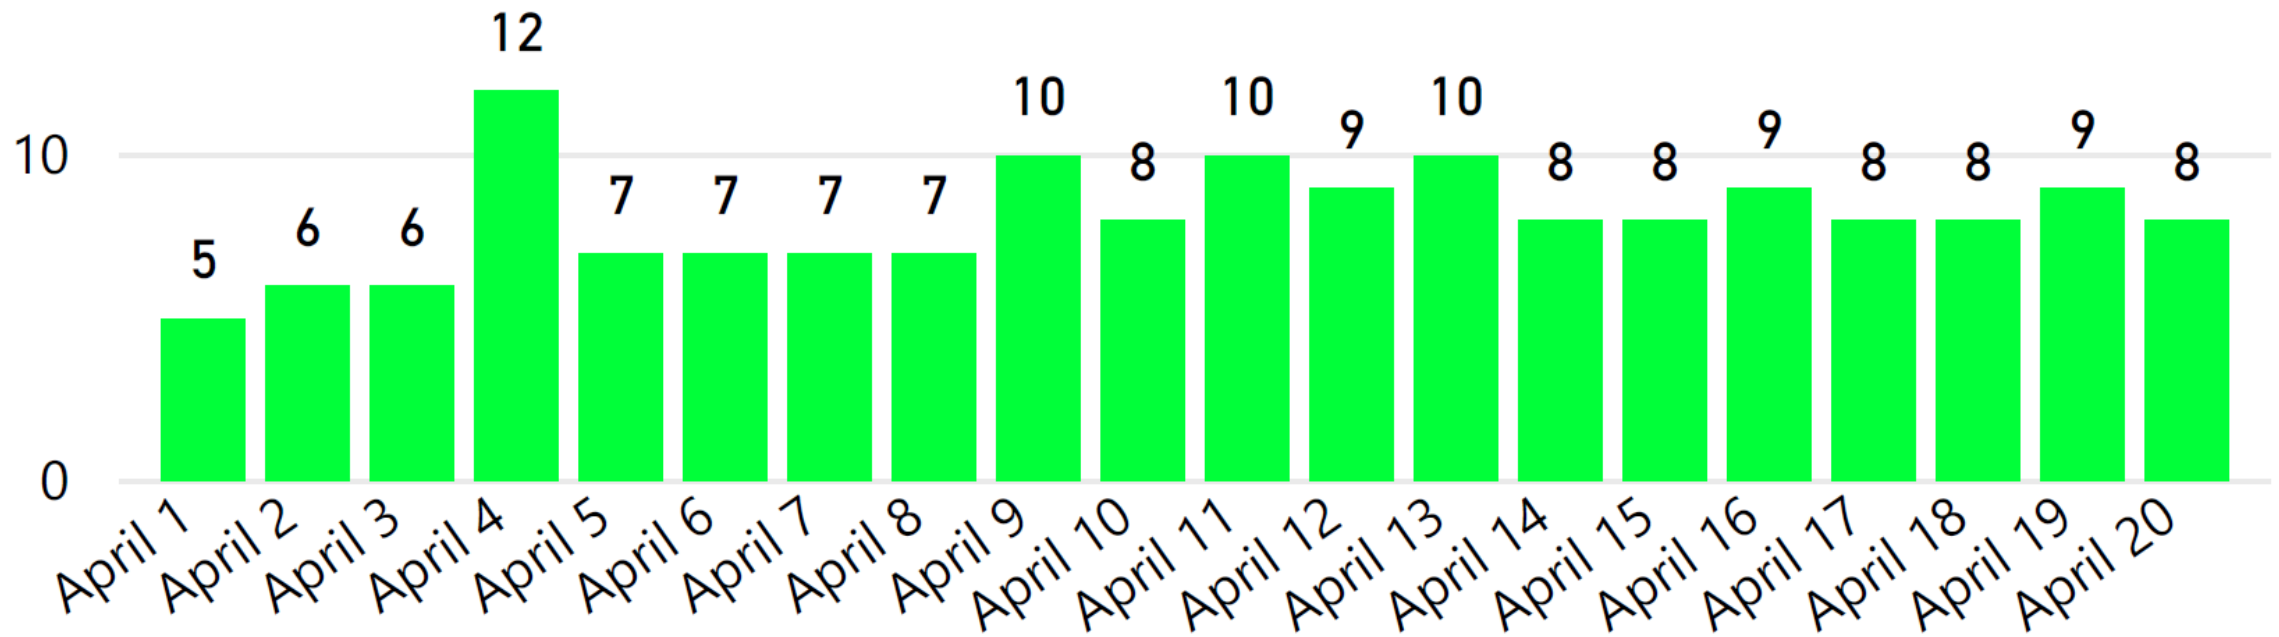

- 1. The ability to monitor and protect our communities through testing, contact tracing, isolating, and supporting those who are positive or exposed;**
 - ✓ Expanding testing capacity – doubled Public Health lab testing capacity already
 - ✓ Adding resources for expanded contact tracing
 - ✓ Already providing isolation in hospitals, at designated facilities & isolation at home
- 2. The ability to prevent infection in people who are at risk for more severe COVID-19;**
 - ✓ Providing meal support for isolated seniors
 - ✓ Providing isolation locations for at-risk homeless or quarantined individuals that do not have adequate housing
 - ✓ Relocating COVID exposed or positive individuals out of long term care facilities
- 3. The ability of the hospital and health systems to handle surges;**
 - ✓ Added over 800 beds to meet surge
 - ✓ Implemented contracts and agreements for surge staffing
 - ✓ Added nearly 100 additional ventilators
- 4. The ability to develop therapeutics to meet the demand;**
 - ✓ Established plasma donor registration to provide possible access to COVID antibodies
- 5. The ability for businesses, schools, and child care facilities to support physical distancing ; and**
 - ✓ Our businesses, schools, and communities have demonstrated their abilities to practice social distancing as evidenced by the doubling rate of spread slowing to 15 days
- 6. The ability to determine when to reinstitute certain measures, such as the stay-at-home orders, if necessary.**
 - ✓ Daily tracking of test results, hospital utilization and capacity is in place
